

****IMPORTANT INFORMATION PLEASE READ****

Libby Berke is heading up the foster tip line. If you have questions about situations with your foster cats, (behaviors, not eating, etc,) Libby is very experienced and can offer some suggestions. 248-935-3435 (text is best), her email is libbyberke@icloud.com Also, YouTube Jackson Galaxy and The Kitten Lady for just about every situation involving cats/kittens.

If you have a medical issue try your mentor or text Nadi 248-470-8587, Diane 734-765-1950, or Gaby 616-401-5156

When ordering supplies, use the supply order form link on our Website-locrami.com, under navigation on the bottom left, volunteer only page. Please order by Wednesday to pick up supplies (food and litter) at Commerce Petsmart (385 Haggerty Road, Commerce) during our Saturday **Adoption Day** hours (10am to 2pm). **It is important to pick up on Saturday.**

When choosing a name for your foster cat/kitten, please check the "Do Not Use Animal Name List". It becomes very confusing when we have cats/kittens with duplicate names EVEN if they are spelled differently or a number added to the name. So choose a name NOT on this list.

When writing a bio or taking photos to be used on our website please read and follow guidelines in the **Bios** and **Photos** documents. Great pictures and a detailed bio are extremely important to help our kitties get adopted.

When your foster cats are ready for adoption, use the Kitten OR Cat Adoption Info Form link. Also located in the Volunteer only page on locrami.com

When kittens/cats go to All About Animals, they need to be at Nadi's (14 Mile & M-5) by 6:40 in the morning (sigh...) on Tuesday. They are picked up around 8:00 a.m. on Wednesday.

Be sure to request to join the LOCRA Volunteer Facebook page.
